However, the district shall not offer or award to a student any course credit or privileges related to educational activities in exchange for voluntary donations or participation in fundraising activities by or on behalf of the student and shall not remove, or threaten to remove, from a student any course credit or privileges related to educational activities, or otherwise discriminate against the student, due to a lack of voluntary donations or participation in fundraising activities by or on behalf of the student.

(cf. 1321 - Solicitation of Funds from and by Students)

(cf. 3290 - Gifts, Grants and Bequests)

Whenever district employees, volunteers, students, parents/guardians, or educational or civic organizations participate in such events or activities, the Superintendent or designee shall emphasize that participation in the event or activity is voluntary.

Pursuant to 5 CCR 350, districts may charge fees only when specifically authorized by law. The following list specifies fees currently authorized by law. Other permissible fees may exist and be identified in the future.

Pursuant to Education Code 49011, a district is prohibited from requiring a student to pay fees or charges in order to participate in an educational activity. A complaint alleging the unauthorized charging of student fees may be filed in accordance with the uniform complaint procedures; see the accompanying Board policy and BP/AR 1312.3 - Uniform Complaint Procedures. Districts with questions as to whether a particular fee may be charged should consult with legal counsel.

When approved by the Governing Board, the Superintendent or designee may impose a fee for the following: (5 CCR 350)

(cf. 6142.5 - Environmental Education)

6. Reimbursement for the direct cost of materials provided by the district to a student for the fabrication of nonperishable personal property the student will take home for his/her own possession and use, such as wood shop, art, or sewing projects kept by the student (Education Code 17551)

7. Home-to-school transportation and transportation between regular, full-time day schools and regional occupational centers, programs, or classes, as long as the fee does not exceed the statewide average nonsubsidized cost per student and exemptions are made for indigent and disabled students (Education Code 39807.5)

13. Actual cost of furnishing copies of any student's records, except that no charge shall be made for furnishing up to two transcripts or two verifications of a former student's records or for reproducing records of a student with a disability when the cost would effectively prevent the parent/guardian from exercising the right to receive the copies (Education Code 49065, 56504)
