Parents are expected to transport students to and from school. We ask that you are sensitive to the extra burden placed on staff when students are on campus outside of school hours.

Attendance

Absences, tardiness, and signing your child out of class early have a big impact on student success. Attending school regularly and on time creates a foundation that will carry on into high school and beyond. Please take your child's attendance seriously and make sure your child attends school every day unless he/she is sick or there is an emergency.

A note, phone call, or e-mail is required each time/day your child is absent. If you don't report the reason for your student's absence, that absence is "unverified". Unverified absence are UNEXCUSED absences. **If your child is tardy, he must report to the office before going to class.**

Excused Absences: No pupil will have his/her grade reduced or suffer a loss of academic credit on account of an excused absence when missed assignments and tests that can reasonably be provided are satisfactorily completed within a reasonable period of time. An excused absence is defined in Education Code section 48205 as an absence:

1. Due to his or her illness.
2. Due to quarantine under the direction of a county or city health officer.
3. For the purpose of having medical, dental, optometric, or chiropractic service rendered.
4. For the purpose of attending the funeral services of a member of his or her immediate family as defined in the Education Code, so long as the absence is not more than one day if the service is conducted in California, and not more than three days if the service is conducted outside California.
5. For justifiable personal reasons, including, but not limited to, an appearance in court, observance of a holiday or ceremony of his or her religion, attendance at religious retreats or attendance at an employment conference, when the pupil's absence has been requested in writing by the parent or guardian and approved

by the administrator or a designated representative pursuant to uniform standards established by the governing board.

6. Students in 7th and 8th grade may be excused from school to obtain confidential medical services without the consent of the student's parent/guardian. (Ed Code 46010.1)

Truancy: Upon a pupil's initial classification as a truant, parent/guardian will be notified that the pupil is truant and that parents/guardians are obligated to have students attend school and any failure to meet this obligation may subject parent/guardian to criminal prosecution. Education Code § 48260.5.

Independent Study: Independent Study is available for absences of **three consecutive days or longer**. Arrangements for independent study must be made prior to the absence. Three days' notice is required for the teacher to prepare the independent study plan. Students must complete work and give it to the teacher upon returning to school. Daily live interaction/participation is required starting on day 15 of Independent Study.

Lunch Program

All students are eligible for free breakfast and lunch regardless of income levels. Participation forms are sent home at the beginning of the school year. **If your child is going to be late for school and needs to order a lunch, you must call the school by 9:00 a.m. to place the order;** otherwise, you need to send a sack lunch with your child. **We are unable to warm up students' home lunches.** Students who bring a lunch from home, but choose to order **milk only** are required to pay \$0.45 per milk.

Meal Policy

Kirkwood Elementary School District has put in place the following policy for meal payments. All families will receive a copy of these policies in their child's beginning of the school year packet, it is also posted on the Kirkwood website.

1. Purpose/Policy
 - To treat students with dignity and respect in the serving line regarding meal accounts
 - To establish policies for outstanding balances
 - To encourage parent/guardian to assume responsibility for meal payments and promote self-responsibility of student
 - To establish a clear and consistent policy regarding charges and collection of charges
2. **Scope of Responsibility**

The District encourages students to not charge more than \$15.00.

The District Will:

- Encourage parents to send money daily or pre-pay in the school office.
- Contact the parents by phone call, an email and/or a text when account goes negative.
- Send home a letter every Friday for students with negative balances.
- If an account reaches a negative balance of \$50, the CBO/Superintendent will call to discuss payment, payment plan, or offer assistance in the free and reduced lunch program.
- If payment is not made, the district may withhold report cards, yearbooks, and if in 8th grade, student may not participate in graduation ceremonies.

The Parent Will:

KIRKWOOD ELEMENTARY SCHOOL

POLICY FOR BULLYING PREVENTION

Board Policy 5131.2

The Kirkwood Elementary School District believes that all students have a right to a safe and healthy school environment. The district, school, and community have an obligation to promote mutual respect, tolerance, and acceptance.

The Kirkwood Elementary School District will not tolerate behavior that infringes on the safety of any student. A student shall not intimidate or harass another student through words or actions. Such behavior includes: direct physical contact, such as hitting or shoving; verbal assaults, such as teasing or name-calling; social isolation or manipulation or cyberbullying (creation and transmission originated on or off the school site by means of an electronic device).

The Kirkwood Elementary School District expects students and/or staff to immediately report incidents of bullying to the superintendent or designee. Staff members are expected to immediately intervene when they see a bullying incident occur. Each complaint of bullying should be promptly investigated. This policy applies to students on school grounds, while traveling to and from school or a school-sponsored activity, during the lunch period, and during a school-sponsored activity..

To ensure bullying does not occur on the school campus, the Kirkwood Elementary School District will provide staff development training in bullying prevention.

BULLYING

According to Keenan Safe Schools training abusive situations that are defined as bullying have three main characteristics. All three of these components need to be present in order to be defined as bullying:

1. **Harm** – **Someone gets hurt either physically, socially, or emotionally.**
2. **Unfair Match** – **One person or group does not have the physical, verbal, or social skills to effectively contest the other person or group.**
3. **Repeated** – **The harm and unfair match are repeated over a period of time.**

Types of Bullying are: Social isolation or Manipulation, Physical Contact, Emotional, Verbal or Sexual assaults, Racial Cyberbullying (on or off school site).

The four conditions a bully attempts to force on a victim are isolation, dehumanization, disempowerment and inevitability.

Aggressive behavior and/or isolated incidents do not constitute bullying.

Teachers will discuss this policy with students in age-appropriate ways and should assure them that they need not endure any form of bullying. Students who bully are in violation of this policy and are subject to disciplinary action up to and including expulsion.

Each school will adopt a Student Code of Conduct to be followed by every student while on school grounds, or when traveling to and from school or a school-sponsored activity, and during the lunch period.

The Student Code of Conduct includes, but is not limited to:

- Any student who engages in bullying may be subject to disciplinary action up to and including expulsion.
- Students are expected to immediately report incidents of bullying to their teacher.
- Students can rely on staff to promptly investigate each complaint of bullying in a thorough and confidential manner.
- If the complainant student or the parent of the student feels that appropriate resolution of the investigation or complaint has not been reached, the student or parent of the student should contact the superintendent. The school system prohibits retaliatory behavior against any complainant or any participant in the complaint process.

The procedures for intervening in bullying behavior include, but are not limited, to the following:

- All staff, students and their parents will receive a summary of this policy prohibiting bullying: at the beginning of the school year, as part of the student handbook, as part of new student orientation and as part of the school's notification to parents.
- The school will make reasonable efforts to keep a report of bullying and the results of investigation confidential.
- Staff members are expected to immediately intervene when they see a bullying incident occur.
- People witnessing or experiencing bullying are encouraged to report the incident; such reporting will not reflect on the victim or witnesses in any way.

Discipline

School Rules: Each teacher develops their own set of classroom rules and requirements. Teachers will review expectations with students the first week of school and with parents at Back to School Night. Teachers at Kirkwood School have very high expectations. We feel that these high expectations are what contribute to the high success rate of our students. Classroom rules may vary slightly, but we do have the same school-wide expectations. Your child's teacher will send home a list of classroom rules and expectations; please review them thoroughly with your child.

STUDENT EXPECTATIONS

See Kirkwood School's website (www.kirkwoodschoolca.org) for the matrix of student behavior expectations.

Dress Code: Appropriate clothing is required. Any clothing that interferes with classroom learning or safety is not allowed. The following guidelines shall apply to all regular school activities:

- Hats, caps and other head coverings are discouraged during normal school activities. If they are worn, they must be removed in classrooms and any buildings on campus. Any head covering that is considered gang-related is NOT allowed.

- No short-shorts. Shorts or skirts worn must extend past the length of finger tips while standing upright with arm straight down at sides.
- Sandals must have heel strap (no flip flops).

Students not following the dress code will be sent home to change.

School Cell Phone Policy:

Students are not allowed to have turned on, or use, cell phones or any other electronic devices (such as iPods, MP3 players or hand-held games, etc.) during school hours except for educational purposes with the permission of and under the supervision of a classroom teacher for students in grades 5-8. If a student is observed using any electronic device during the school day for non-approved, non-educational purposes, it will be taken away and the student's parent will have to pick it up at the end of the day.

The school district and district's employees will not be held liable for any damage or loss of any personal electronic devices a student brings to school from home. The school has a phone in each classroom in case of any emergency situation.

No Wheels on Campus: The following are not permitted on the school grounds at any time:

Volunteers

The District recognizes and acknowledges the services that volunteers contribute, and that they provide an array of services that promote the health and well-being of children. The presence of volunteers in the classroom, on school grounds, and as part of student activity programs, enhances supervision of students and contributes to a positive school environment.

All volunteers, with the exception of visitors and one-time volunteers who remain at school, must complete a volunteer application packet which includes the following:

1. Volunteer Application
2. Confidentiality and Discrimination Statement
3. Fingerprint/Criminal History Background Check (paid for by Kirkwood School)

ALL volunteers who accompany students off campus must complete a volunteer packet. Completed volunteer packets will be kept on file for the duration of your student's enrollment at Kirkwood.

Visitors and one-time volunteers do not need to complete an application UNLESS they accompany students off campus (field trips).

- One-time volunteers and visitors who remain under the direct supervision of teachers and staff while at school DO NOT need to complete the application packet. These volunteers should not be left alone with or have unsupervised contact with individual or groups of students. Examples of one-time volunteers: grandparent visiting a classroom; person presenting information to the class on a one-time basis; parents, friends or relatives who attend a class party or one-time event in the classroom.
- Any volunteers accompanying students off campus, however, must complete a volunteer packet including fingerprint screening as well as the parent driver application, prior to the field trip. Volunteers on field trips are more likely to be alone with students, take students in small groups, and have a different level of responsibility.
- A copy of the completed volunteer pack must be on file at the school and include a current DMV driving record printout, current insurance coverage showing amounts, and a photocopy of your driver's license.

All volunteers, including one-time volunteers and visitors must:

- Sign in and out in the school office.
- Wear identification badges during their volunteer activity.
- Acknowledge that "relationships developed with children at school need to remain at school" and that for their own protection, volunteers should never

be left alone with a child that is out of view of school personnel or another adult volunteer.

If you are interested in volunteering, please apply early in the year as the fingerprinting process can be long. Applications packets are available in the office.
